

Sermon Discussion Guide

November 25-26, 2023

Pastor Lori Shimabukuro

Topic: Join us as we celebrate Thanksgiving and reflect on the power of giving and its impact on our communities. Let us draw inspiration from the selflessness of the early church in Acts, as we continue in our #LoveOurCity2023 campaign. Remember, true love is only realized when we give it away.

Discussion Questions:

1. What does 'love isn't love until you give it away' mean?
2. Why are we invited to 'give'?
3. Consider how God may be asking you to extend His love (in your family, in your school or at work, in your community).
4. Consider any barriers that may be keeping you from executing His plan.
5. What is meant by, 'We can give without loving, but cannot love without giving'?
6. What or who would you need to move your plan forward?
7. What observations can you make from Acts 2 and Acts 4?
8. What were the outcomes? What are the potential outcomes from your obedience to God's vision or plan?
9. Let's talk about it!
